CHRISTIAN SCHOOL

Cultivating Academic Excellence & Christian Character

Nurturing potential.

A NURTURING ENVIRONMENT WHERE CHILDREN GROW AS STUDENTS
- AND AS PEOPLE

Your child will be known, loved, and prepared at Scofield Christian School. We nurture them with an eye for the future - and make sure they are prepared for it. The school embraces exemplary education and honors tradition while emphasizing the value of being a caring, contributing member of the community.

Scofield Christian School students come away with a quiet confidence in their academic abilities. They are sought after by other private schools to add a level of high intellectual caliber. Repeatedly we hear about how well-prepared and academically advanced our students are after they leave Scofield. They have the ability to think critically and communicate effectively for their age. And they develop a resilient moral compass that helps to carry them after their days at Scofield.

Our small class sizes and close relationships between faculty and students allow teachers to identify individual learning styles, abilities, and interests.

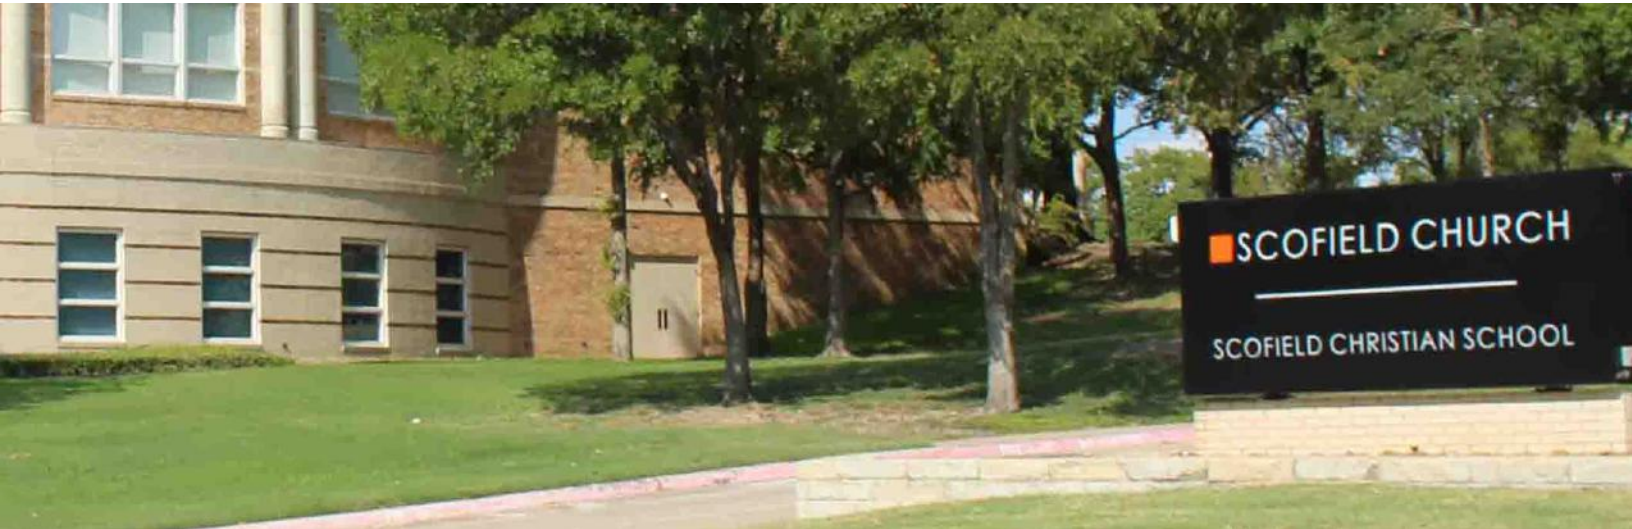

Here, our children grow to be more than good students: they become *good people*.

Well-prepared. Well-rounded.

THE SKILLS AND CONFIDENCE THEY NEED FOR JUNIOR HIGH SCHOOL
- AND BEYOND

For sixty years, Scofield Christian School has been committed to the principles established in the school's formative years: strong academics, a close-knit community where each child is known, and a Christian foundation. It's an approach that continues to get results. Our alumni are consistently honor students, scholarship recipients, and class officers at area public and private junior high and high schools. As important, Scofield's students are well-prepared beyond academics to be good friends, good teammates, and good citizens.

Maintaining our traditions and principles while embracing challenging curriculum has allowed Scofield Christian School to remain a vibrant choice for generations of parents. Since 1961, Scofield has been drawing students from throughout the Dallas area. Beginning at age three for pre-kindergarten through sixth grade, our school is anchored in the Biblical truths of faith, hope, and love.

Early Childhood

PREPARING CHILDREN FOR A LIFETIME OF INTELLECTUAL EXPLORATION, PERSONAL AND SPIRITUAL GROWTH, AND SOCIAL RESPONSIBILITY

In Scofield Christian School's Early Childhood Pre-school program (age three - Transitional Kindergarten), students are engaged in a God-centered learning environment focused on play to develop an understanding of the world around them. Here, the joy of discovery and sense of achievement are celebrated.

Our teachers inspire creativity and imagination. Our curriculum allows students to explore each topic using the gifts and talents God has given them and build the foundation for academic excellence. This rich and varied program works to enhance each child's wonder of learning while preparing them for tomorrow.

We create an optimal learning environment for children, with a focus on Biblical concepts, phonemic awareness, and learning math through conceptual play. The curriculum includes Art, Music, Spanish, Science, Library, PE, our Environmental Learning Center, and Discovery Days.

SETTING THE STAGE FOR GROWTH

From the earliest age, children lay the groundwork to become life-long learners. Our Lower Elementary (Kindergarten - 2) offers an academically appropriate program developed to build confident and caring learners. With small classes and a high degree of personal attention and differentiated learning, our students are introduced to a wide array of experiences at a young age, including a favorite - cursive handwriting.

In a Christ-centered environment, Scofield students are known and loved. Our teachers understand the intellectual, emotional, and spiritual needs of each Scofield student. Our research-based curriculum encourages students to develop confidence, independence, creativity, perseverance, and problem-solving abilities. Curiosity and discovery are encouraged in each classroom and co-curricular classes as well as in our Environmental Learning Center, on class field trips, and during Discovery Days. Spiritual education through weekly chapel services and our Honorable Character program promotes the virtues of honor, obedience, diligence, wisdom, kindness, self-control, orderliness, service, attentiveness, cooperation, initiative, honesty, forgiveness, and responsibility.

Lower Elementary

Upper Elementary

INDEPENDENT, CONFIDENT, RESILIENT, PREPARED

In Scofield's Upper Elementary (grades 3-6), we see early adolescence as a crucial time in a student's academic, social, and emotional development. From academic curriculum to service activities to field trips and Discovery Days, our entire program supports learning and growth at this vital stage.

Our teachers believe active and engaging instruction is essential to the growth of critical thinking abilities, the development of social and emotional skills, and the strengthening of life-long academic practices. We do this through a rich and varied curriculum, a wide range of learning activities, and an understanding of our identity in Christ, which encourages students to grow spiritually. Our Upper Elementary students have the unique opportunity to have leadership roles at an early age and serve on the Missions Committee or as a role model to younger students.

Upper Elementary at Scofield Christian School is designed to foster independence, confidence, and resilience. Organization and study skills are a focus, so students are prepared for what's next.

Learning with a purpose.

INSTILLING IN STUDENTS THE IMPORTANCE OF MAKING A REAL DIFFERENCE IN THEIR COMMUNITY

Scofield Christian School is a program of academic excellence that seeks to develop students socially and emotionally to deal with the complexities of modern life. Students attend weekly chapel services where Biblical principles are taught and reinforced. Biblical principles are woven throughout the curriculum and social and emotional learning is emphasized through Christian character.

PORTRAIT OF A GRADUATE

At Scofield Christian School, our hope is to instill in our students something they will carry with them beyond their time here. Something that will impact their world view. Something that will inspire them to make their community and their world a better place.

Our Portrait of a Graduate statement expresses this hope and the qualities we seek to instill in the students with whom we are entrusted with shaping and educating.

Scofield Christian School's graduates build upon an excellent foundation to:

Solve problems with diligence and creativity.

Hold tight to **faith and reason** in pursuit of truth and meaning.

Strive to lead lives that are **joyful, healthy,** and **rooted in Christ.**

Be the salt and light, treating all with **dignity, compassion,** and **respect.**

Love and serve God and one another.

MISSION STATEMENT

Scofield Christian School partners with families to provide children with an academically challenging education that is well balanced, comprehensive, and integrated in Biblical truths within a nurturing Christ-centered environment.

Admissions Policy

Scofield Christian School seeks students with the ability to excel academically and benefit from the school's programs. The admission policy is non-discriminatory and admits students of any race, color, national and ethnic origin. Students are admitted based on previous school reports, standardized test scores, classroom visits, family interviews, and other relevant information.

Financial Aid is available to qualified families.

After-School Program

The After School Care (ASC) program, available to all students, is held on school days from dismissal until 5:30 p.m. ASC is an extension of the safe, supervised, nurturing environment of Scofield Christian School. The goals of ASC are to provide students with structured play and an opportunity to complete homework assignments. ASC is not included in the cost of tuition.
